Come home to the peace and tranquillity of park-side living, uninterrupted, sweeping views, and the modern comforts of a totally transformed, luxurious family residence. Main Road proudly presents this palatial, 6-bedroom family entertainer split across three levels enjoying multiple living areas, and resort-style outdoor spaces. With the very heart of the home situated on the first lower level, the open-plan approach to living spaces offers effective zoning and a dedicated space for each function. With the lounge enjoying dual fireplace and a reading nook to create the coziest environment, nights at home are highly sought after. While adults dine and catch up, kids and teenagers can delight in their own space with a huge rumpus room situated downstairs, perfect for movies, games or simply chilling and chatting. Throughout the warmer months enjoy the transient indoor-outdoor dining and endless options to entertain, making a seamless transition to the outdoor terrace, with the breathtaking backdrop of sweeping views across Brimbank Park and the twinkling lights of the ever-changing skyline. The second lower level provides a dedicated outdoor entertaining area immersed in nature with a dining area complemented by another two fireplaces for cooler nights, a built-in jacuzzi for relaxation, an elegant low-maintenance garden and a large expanse of lawn for kids and pets to run and play. Perfect for big gatherings or the simplest of meals, the state-of-the-art kitchen boasts high-end Miele appliances, including 900mm gas cooktop, dual under-bench oven and integrated dishwasher, luxuriously accented by recessed LED lighting, a deep double sink, and an abundance of storage throughout including a walk-in pantry. With a total of six bedrooms, two to each level, each sleep sanctuary has been individually curated while ensuring maximum rest and rejuvenation. The expansive master suite is superbly fitted with a built-in robe and private ensuite, with the bonus of a retreat, promoting peace and quiet. Each level includes an elegant hotel-style bathroom, lavishly appointed with floor-to-ceiling tiling, oversized frameless glass showers with dual rain heads, floating double vanities with recessed LED lighting, sleek toilets, and a notable freestanding bathtub in the central bathroom on the first lower level. Each space is timeless, practical, and dreamy, ensuring that getting ready for the day and unwinding at the end of the week are highlights. Other features include double lock-up garage with internal access, large laundry, separate studio for those working from home or pursuing a hobby, refrigerated cooling paired with reverse-cycle split-system heating and cooling for year-round comfort, high tech security camera system for peace of mind, and three-phase power to provide stable constant supply that extends the lifespan of electrical equipment. Situated in an unbeatable position, only minutes' walk from Brimbank Park, Keilor Village shops and eateries, Keilor library and sporting ovals. Within a short drive are local and private schools, Watergardens and Keilor Central Shopping Centre for everyday essentials and the recently upgraded Brimbank Aquatic and Wellness Centre, while proximity to the Calder Freeway provides excellent connections across Melbourne, the city, airport and regional Victoria.
