Imagine having a wonderful expansive park as your backyard without any of the hassle of maintenance - well that's the reality of the superbly spacious townhouse. Tucked away down the quietest laneway, this immaculate home features an elegant lounge/dining area that seamlessly connects to a side courtyard, a modern kitchen complete with waterfall edged stone bench tops, soft closing drawers and quality appliances. Additionally, a sun-soaked family room with access to the rear patio and a low-maintenance courtyard enhance the living space. All three bedrooms are serenely located upstairs. The master bedroom offers vistas of Harbour Town Park complete with walk-in robe and luxury ensuite. A study nook is also on offer as well as a family bathroom with bath to service the remaining bedrooms. Ducted heating/vacuum, split system, security alarm, and a full laundry with rear access are among the featured amenities, along with ceiling fans, ample storage under the staircase, and a double auto garage with shopper's entrance. Situated in close proximity to Patterson Lakes' array of amenities and attractions, this home is also conveniently accessible to Cornish College, Patterson River, and Wetland walking paths, as well as major freeways for an efficient daily commute.
