8 Tuckers Lane Wentworth offers the best of what people are in search of, being a three-bedroom home, minutes from the heart of Wentworth set on 4.22 Hectares (10.5 acres) and approximately 120m of Tuckers Creek frontage. This home is looking for new owners to bring the charm and character back to this tranquil property and would be well suited for cash crops, agistment or to just run a few stock. This property comes with seven titles and is a Western Lands perpetual lease, which through a process and a cost can be converted to freehold. Call to arrange an inspection.
