\$1,150,000 - \$1,250,000

Outdoor living takes centre stage at this private Horizons Estate home in a quiet court close to the beach and steps to an expansive family park. Welcome to a beautifully located 658m² (approx) property walking distance to the Safety Beach foreshore, and to Dusky Drive Reserve's playground and parkland. This is a home in sync with its coastal surrounds, with undercover off-street boat/caravan parking behind gates and an undercover garden patio perfect for après-beach entertaining. The home is effortlessly single level, functionally zoned, and finished with walls of glass that draw the eye from the living zone to the green of the garden. Two living areas, a study, and a private master suite cater to family dynamics, while the undercover patio is framed in a suite of blinds to create all-weather outdoor appeal. There's space to dine alfresco with extended family while children play on the lawn, and a handy path to the park nearby, perfect for kick-to-kick with the kids. The home includes a double garage with internal entry, a solar system, a gas fireplace, a gas cooktop, ducted evaporative cooling, double glazing, ducted vacuum, and privately zoned secondary bedrooms.
