With sweeping elevated views over pristine Lake Wallace, this unique split level home has room for the whole family. The home has two generous living spaces along with multiple outdoor entertaining areas. There are 3 large bedrooms including a master suite with walk-in robe, ensuite, and private balcony access, a spacious kitchen with walk-in pantry and breakfast bar, and a modern main bathroom. The block has been fully landscaped and offers excellent privacy with established trees and hedges. There is a double garage and single carport as well as ample off street parking. A beautiful family home in a popular and tightly held location.
