This home is the ultimate family home, with everything you need and a great size back yard. Walk in the front door to a downstairs bedroom with mirrored BIR and through access to the downstairs bathroom/powder room with shower, vanity, and toilet. Great storage under the stairs, laundry with external access to outside and clothesline. The kitchen has it all, 900mm gas cooker and oven, double sink, dishwasher, and huge walk-in pantry, with the heart of the home sitting in between the lounge and dining spaces and overlooking the huge back yard and undercover deck. Upstairs you have 3 more great size bedrooms all with mirrored BIR, these are all positioned around the open living space upstairs so perfect for a kids retreat. Main bathroom with shower, single vanity and bath is easy and fuss free, toilet is separate. Master bedroom at the front of the property with small deck perfect to watch those morning sunrises. Two separate walk in robes and ensuite with shower, single vanity and the toilet is separate for extra privacy. The property has Ducted heating, Evaporative cooling, and ceiling fans. Double remote garage door and plenty of extra parking in the driveway and on the street. The back deck is a great size, and the simple landscaped gardens make it a perfect family property.
