Phone Enquiry ID: 226622 This property will be coming to the market very soon. Close to the beach and the Esplanade with great ocean views and flexible living, this property provides options galore. Whether it be multi-generational living, a large family or a home office that you're looking for, this property can give you it all. Upstairs the property features a quality kitchen with stone bench tops, Bosch appliances and great ocean views. Next to the kitchen is a large, combined dining and lounge room featuring raked ceilings, and polished cypress floors, and ample windows to let in light and the ocean views. In addition there is a master bedroom with ensuite and balcony, a family bathroom and two additional bedrooms. Downstairs features an office with built in library and kitchenette that could also work as a second kitchen/dining area, a fourth bedroom or media room along with a large family/rumpus room that is currently being used as a teenager's bedroom/retreat - both of which open onto the generous rear deck and swimming pool area. In addition, there is also a bathroom, laundry and generous entry foyer. To top everything off, there are fully fenced, established gardens and a four-bay shed at the rear of the property. There are not many properties on the market in Point Vernon that offer so much flexibility and potential.
