**\$90,000**

8 Webb Street, Hivesville Q 4612 Conveniently located, this property would make an awesome weekend escape or even a perfect spot to build a home. A fantastic residential block, fully fenced, only walking distance to the service Station, and park. There is a near new shed on the property, concreted flooring with council approval. The shed is 6mx3m with a lockable roller door. Completely insulated studded walls with power connected. On this block is a small tank behind the shed that collects rainwater. Included in this sale is an older style caravan which is mostly bare but does include a stove. The caravan has no leaks, so suitable to be lived in. No sewerage connection available. Hivesville is located only approx 9 minutes to Proston, 25 minutes to Murgon, and 20 minutes to Wondai. For more information, or to book in an inspection, please call Jess on 0426 822 184\*\*More photos to come\*\*
