This beautiful period home has been updated to provide all of the comforts of modern living whilst retaining the features that give it charm and character. The front door opens to a central hallway. There is a formal living room and a formal dining room. The master bedroom has a wall of built in robes and is served by an updated bathroom with twin basins and a bath. There are three further bedroom all with built in robes and a large study or home office. The kitchen is well appointed with stone bench tops, quality appliances and lots of cupboard space. The family room overlooks the swimming pool and opens to a paved outdoor entertaining area which in turn leads to a manicured lawn area complete with garden shed and cubby house. The second bathroom is located at the rear of the house to provide easy access to the swimming pool. There is central heating and air-conditioning and a Bose sound system through- out the house. Brilliantly located behind Church Street shops with its mix of upmarket shops , cafes and restaurants, only a five minute walk to North Brighton Station and Brighton Grammar School. Call now to inspect.
