Wilson Partners is proud to present 8 Wilkie Drive, Kilmore. In one of Kilmore's most sought after areas, this large home on approx 4,473m² will tick so many boxes for the family who are looking for space, shedding, room for the toys both big and small and above all, that peaceful tree change that is still close to Melbourne. With four good sized bedrooms and a parent's retreat, this brick ranch-style residence also has evaporative cooling and ducted heating throughout, original quality fixtures including block out drapes with pelmets and a neutral colour scheme. The country timber kitchen has ample cupboard space, together with a built-in wall oven, dishwasher and hard-wearing terracotta flooring. An entertaining area leads off the meals area, perfect for those summer evening BBQ's. The perimeter of the property has established conifer trees creating the perfectly private space. Appealingly, this property has a level allotment which is not only low maintenance, but provides endless opportunities for additional shedding or an inground pool (STCA), football oval for the kids or plenty of space to store your caravan. Inspection of this property is a must for the buyer who is searching for a quality built family home on a large block.
