8 Willow Grove Place is a surprisingly large, 5-bedroom family home found in a quiet cul-de-sac. Make your entrance via the double lock up garage with internal access and remote-controlled roller doors OR by walking through the front door. When you do, you will be pleasantly surprised with the abundance of low maintenance living awaiting you. With an oversize study area to the side and a larger than average living space you will immediately see the potential to fit the biggest of families (Note: The study could easily be converted to a 6th bedroom). The Master bedroom with ensuite and WIR is found in the heart of the home, away from the remainder of bedrooms for maximum privacy. Not only will you be satisfied with how much room there is, you can rest assured you will be comfortable year round with the ducted, gas heating & refrigerated air conditioning. A perfectly presented, roomy kitchen is a great space to indulge your guests and converse the night away. The back half of the house features 2 more living spaces, the other 4 bedrooms and access to the extensive, covered outdoor entertaining area - the perfect haven to unwind and enjoy the established, low maintenance gardens and yard. Sitting on an 809sqm block of land with no neighbours over the back fence, this home will tick virtually any box you need it to when shopping for your next home.
