Slide open the auto-gate, follow the checkerboard terrace to the front door, and step inside this style sanctuary! With landscaped gardens giving just a hint of the dramatic, monochromatic sophistication inside, this up to four bedroom/up to two zone, two bathroom home unfolds in designer style with a lush formal lounge (or fourth bedroom) and plush master-wing (with decadent dual-vanity ensuite, deluxe dressing area and private garden)before opening through grand double-doors to a spectacular poolside indoor-out living... and smart garden studio beyond.Characterised by panelled walls, a soaring skillion roofline and breathtaking New York marble (wrapping benchtops and fireplace), this lofty polished concrete-floored space flows through six-panels stacking-sliders to a state-of-the-art all-weather al fresco zone; warmed by an open fireplace and fed by a BBQ kitchen beside the solar-heated tiled pool. Boldly beautiful with a Bosch appliance kitchen (with 3m dining-bench) centre stage, and a secondary caterers' kitchen (with integrated Miele dishwasher) back of house, this style sanctuary stars a bespoke blend of natural stone and in-situ concrete benchtops, imported wallpapers and the plushiest carpets. Lit by sparkling designer light-fittings from Timothy Oulton and soaring auto-open auto-blind Velux skylights, the home shines with amazing attention to detail; from traditional manor-sinks for the laundry and caterers' kitchen, to brass tapware, kickplates and thresholds, to custom-crafted fluted-glass doors. Even the door handles sparkle with crystal orbs. Climate controlled with the added warmth of a gas logfire, there's the security of Ring intercom, and the energy-efficiency of double glazing and high-specification acoustic insulation throughout. Renovated for sophistication in a family-wise location; the home is surrounded by parks, a few blocks to Sandringham Secondary College, a minute to Highett's hospitality and in reach of Sandringham's beachside village life.
