First Home with Room To Improve

This property is in a great location close to shops, beach, transport & schools.

Set on an approx. 530m² fully fenced block in a fantastic street. Comprises two bedrooms with built in robes central to the main bath, two living areas with the potential of turning the second living room into a third bedroom if needed, open plan kitchen / dining.

This house is a great opportunity for investors or for a first home buyer with a budget. Serviced by gas heating, A/C and a single carport with drive through access and plenty of space in the rear yard to create and add whatever you like to the property.
