A location that's clearly amongst the most convenient in wonderful West Footscray, this 3 bedroom home surrounds itself with all the attractions of the area including Central Westshopping, Tottenham station and the range of cool cafes. A home that retains its period personality and provides easy options for adding your own signature style, this classically appealing property is further enhanced by the presence of side drive off street car parking. As central as central gets, a fantastic opportunity to make a winning move to a vibrant setting and add significant further value when so desired. A perfect example of past, present and future appeal!
