Welcome to your new family haven, nestled on a sloping half-acre property enveloped by established gardens, offering delights for every family member! Step onto the fully enclosed wrap-around verandah, complete with midgee-proof screens framing breathtaking views of distant mountains. Envision countless family gatherings on this spacious deck, creating cherished memories for years to come. As you step through the French double doors, you're welcomed into a thoughtfully designed Hamptons-style kitchen, positioned at the heart of the home. Featuring solid granite benchtops, a dishwasher, double sink, and a generously sized pantry with convenient drawers, this kitchen is a haven for culinary enthusiasts. Equipped with a 900mm gas cooker and electric oven, it inspires culinary creativity and exploration. Flowing seamlessly from the kitchen is the inviting lounge room, boasting air-conditioning and views overlooking the deck, leading to the primary bedroom adorned with built-in robes, air-conditioning, and a luxurious en suite. Indulge in the en suite sanctuary, boasting floor-to-ceiling tiles, a twin shower head, a relaxing bath, a sleek granite vanity with ample storage, and an Italian-designed basin. Two additional bedrooms, strategically placed at the opposite end of the home, offer privacy and comfort for the whole family. Additionally, discover a separate tiled living space that offers versatile possibilities—it could serve as a teenager's retreat, a cozy rumpus room, or whatever your heart desires. Adjacent to this space, you'll find another room with laundry facilities already in place, providing added convenience. While there's a main laundry downstairs and a third bathroom, this extra living area offers flexibility and options for your family's lifestyle needs. Further exploration of the property reveals an outdoor undercover alfresco area, ideal for hosting family gatherings, BBQs, or indulging your culinary creativity in the open air. The potential of this space is boundless, offering endless possibilities for relaxation and entertainment. Ensure your vehicles are kept secure inside the 6x6m shed, complete with powered roller doors and an attached single-space carport, ideal for your extra toys. All of these amenities are nestled within a fully fenced block, with plenty of space and potential to tailor the property to your needs. Furthermore, a 5.13 kW Solar System is installed, ensuring not only energy efficiency but also significant savings for the environmentally conscious homeowner. Nestled within walking distance of Cooloola's bustling shopping complex, boasting Woolworths, a Medical Centre, and an array of amenities, this home ensures effortless access to all your essentials. Additionally, with the local school bus stop conveniently located right at your doorstep, transportation for your family's educational needs is made simple and convenient.
