This beautiful hidden valley offers so much in the way of serenity, privacy, peacefulness and the beautiful sounds of nature. Positioned on a gently sloping landscape this land already has so many bonuses that come with the property. There is power, one very large shed and there are also other out buildings. In addition to this there is partial fencing, driveway and some remnants of the pre-existing homestead. All of this gives a magnificent head start for those wanting to build, or for those who don't yet as there is already a large permanent shelter with power and clearings. This property can be used all year round as a wonderful retreat/hideaway. Not too far from Sorell, Buckland and even Orford. This acreage is also walking distance from the school bus route, making it ideal for those families looking for a lifestyle away from it all. It's rare at this price so be quick this time.*The information contained herein has been supplied to us and we have no reason to doubt its accuracy, however, cannot guarantee it.
