Nestled in the peaceful countryside, this home offers a versatility for those seeking the quintessential rural lifestyle. Inside, the welcoming woodfire sets the tone of warmth and comfort and leads to a spacious, recently updated kitchen/living area that is certainly the heart of the home, offering an expansive layout that's perfect for family gatherings and everyday living. Upstairs, the parents retreat offers a space to unwind, with a large master bedroom, ensuite and an extra room, perfect for a nursery or home office. With an additional 4 bedrooms, study and a rumpus/sunroom, there's plenty of space for everyone. Outside, the 5 acre property features impressive shedding and a well established garden and paddocks ready for horses or other animals. Along with an incredible shed/entertaining space with an open fireplace and original chimney, simply an enjoyable space to relax and entertain. The property is also set up with solar panels and 4 x 5000L water tanks ensuring your needs are met all year round. For families, a bus stop nearby allows for transport to the local schools. Experience everything rural living has to offer within the comfort of this family home. Enquire today and don't miss this opportunity.
