With its contemporary design and meticulous craftsmanship, this near-new 4-bedroom home offers modern elegance & comfort. Due to the northerly aspect natural light floods the open-plan layout through the mornings & early afternoon, the aspect then promotes the afternoon sea breeze to sweep through the home. For that touch of quality hardwood timber flooring runs through the living area & hallway, with plantation shutters fitted in the air-conditioned living area & main bedroom. The kitchen features an oversize island bench, great for food preparation & entertaining, Smeg appliances, & a sizable walk-in pantry. The open plan living area also flows seamlessly to the outdoor patio & backyard. All bedrooms have a ceiling fan, the spacious master bedroom features a walk-in robe & ensuite (with new barn style doors). Bedrooms 2, 3, & 4 have a mirrored built in robe with bedroom 4 having the flexibility to be utilised as a media or hobby room. The main bathroom has a separate shower & bath with the laundry containing excellent above & under bench storage plus an additional wall length linen cupboard. Conveniently located approx. 1.4kms to Burgess Beach, 1.7kms to One Mile Beach, & 1.5kms to Stockland Shopping Centre, this near new home is priced to sell.
