The exclusive Tamborine Mountain community is the location of this very private Grand View Estate set on 9 acres. The home has over 100 squares and offers inspiration and peace. The views are sensational stretching from Brisbane, including North Stradbroke in the north, the entire Gold Coast coastline, and Coolangatta in the south. No neighbours - a perfect setting to relax and unwind.* Less than an hour from Brisbane or Surfers Paradise* Privately located on nine acres with stables and a tennis court* Master with luxury bathroom and walk-in his and hers closet.* Five guest bedrooms and three bathrooms* The main hall has spectacular views of the Gold Coast.* Fantastic family kitchen with dining area and TV room* Mezzanine dining room, study and housekeeper or teenager retreat.* Vast pool and surrounding timber deck and glass balustradesThe inclusions are commensurate to a Grand Manor estate with well-maintained easy-care gardens. To add further value to the Estate, the Scenic Rim Council will approve the construction of a second home on this property which can subsequently be strata titledOnce you enter the estate through electric gates you are completely private. The long driveway takes you through the front paddock past the stables, horse arena, helipad and floodlit Tennis court to the main house with wide tiled veranda and glass balustrades. The entrance lobby leads to the spectacular main hall which has a unique conical ceiling, parquet floor, open fireplace and six metre-high windows to take full advantage of the views.A magnificent feature of the hall is a mezzanine dining level with a balcony. The gourmet chef's kitchen consists of granite bench tops, soft-closing cupboards/ drawers, European appliances, plenty of storage and a walk-in pantry.The master bedroom suite is huge and has a spacious and luxurious bathroom. The 'his and hers' dressing room has been fitted with generous hanging space, shelves and drawers. Three other guest bedrooms and two bathrooms are also on this level as well as a study or office.Downstairs there is a self-contained studio garden flat and a three car garage. Within the grounds, there is a self-contained guest cottage with views of the Coast. The 20m swimming pool is a feature with the glass balustrade and a deck of almost 300m it is truly the ultimate infinity pool and takes full advantage of the spectacular vista.Step off the grid - The three built-in water tanks hold up to 90,000 litres of rainwater. A solar battery system enables the house to be completely self-sufficient electrically.This property has so many features you really must make an appointment to view all of its attributes and of course, the view really is breathtaking in all seasons and at all times of the day and night. This secluded Tamborine Mountain estate has unrestricted views of the Gold Coast. It is a very large home and will represent a fantastic buying and development opportunity.
