Perfectly presented on an 866m² allotment is this fantastic family residence, 1975 built and now tastefully updated both inside and out. A formal entrance opens up to a spacious step-down lounge/living space with feature timber beams, the well-appointed kitchen offers ample bench space with an adjoining meals area, both overlooking the rear yard and alfresco. All bedrooms are fitted with BIRs and ceiling fans, a modern renovated central bathroom and a combination of evaporative cooling, slow combustion wood heater and split system reverse cycle provide year-round comfort. Step outside to the huge, sweeping alfresco entertaining area, ideal for the largest gatherings. The 7m x 6m shed has a concrete floor, power and lighting throughout, there's also an undercover parking space for the caravan or speedboat. Complete with low-maintenance gardens, this really is a move-in and relax type property.
