Built to stand the test of time this red brick wonder is full of history and character, and has plenty of room for the next family to grow and make memories in. The open plan living, dining & kitchen space is perfect for entertaining as it opens to the enclosed front patio. The kitchen has plenty of storage space with an extra large pantry as well. There is also additional rumpus room, perfect for a kids TV room, as it leads out into the backyard. With four bedrooms, an extra-large main bedroom, and an office space there is plenty of room for larger families. The family bathroom has been planned out for the convenience of large families, with a tub and basin in one room, the toilet beside, and a separate shower in the next room. The laundry is conveniently located near the bathroom area, and there are extra large linen cupboards in the hallway. If a shed is on your list, then you are sure to be impressed by this one. Sitting at an impressive 186m² (approx.), with an attached garage, two offices, toilet, and barbecue area, totalling a massive 265m² (approx.) for the entire space. Originally constructed in 1892 this shed holds an important place in Mareeba's history as the original Jack and Newell Structure that once stood along Byrnes Street, and the workshop of Ernest William Lepinath who built the Mareeba Shire Hall. In the fenced back yard there is an open shed with plenty of storage shelves and an extra storage room, as well as a fenced chicken run, and concreted space with a shade sail, perfect for an extra spot to relax in the afternoons. Situated on a fully fenced 1,214m² corner allotment within walking distance to Mareeba CBD, Hospital and Primary Schools, this is a great, convenient location. - Solid, red brick construction - 4 bedroom + office, 1 bathroom - Large kitchen with plenty of storage - Open plan living, dining and kitchen space - Additional rumpus room - Enclosed front patio - Large internal laundry, large hallway linen cupboards - Massive 186m² (approx.) shed with attached garage, 2 offices, toilet & BBQ area - Second open shed, with store room - Front carport - 1,214m² corner allotment, fully fenced To find out more or arrange a Private Inspection contact EXCLUSIVE Agent Vince Costas on 0419 926 691.
