This vibrant residence embodies the opulence of contemporary family life, both indoors and outdoors. Ideally situated on the tranquil Waterman Drive in Clyde, it strikes the perfect balance between convenient access to modern amenities and the fabulously designed spaciousness of a 5-bedroom, 3-bathroom, 2-living family home, capturing the distinctive charm and character of the surrounding area. A vibrant and delightful atmosphere, coupled with a harmonious blend of classic and modern elements, permeates every corner of this exuberant 5-bedroom family residence. If you desire a home that consistently evokes a sense of awe, look no further. Upon entering through the porch, a captivating journey unfolds through the tiled entrance hallway, leading to the sunlit communal space that invites you to kick off your shoes and host a lavish celebration. The expansive open-plan living area stands as the focal point of this enchanting home. The fully integrated kitchen boasts a discreetly tucked-away pantry and stainless-steel appliances set against Jamaican brown accents on white cabinetry. Stone benchtops adorned with tiled splashbacks, complemented by a stylish window backsplash, create an inviting kitchen space. Abundant storage ensures practicality, while the island bench seamlessly connects the kitchen and dining zones, offering a culinary haven. The living area provides a retreat, capturing the essence and ambiance of family life. For those who appreciate outdoor living, the large four-season alfresco space sets the stage for pre-dinner drinks and social gatherings. Continuing through the house, the generous guest bedroom (or versatile office space) with a walk-in closet and shared bath provides a tranquil escape. Nearby, the formal lounge or surprise media room offers a sanctuary for moments of relaxation. The laundry, a hub of productivity, infuses household chores with a touch of enjoyment. Ascending the stairs, the second-story entry leads to a fully carpeted floor housing a spacious living/rumpus area. Three thoughtfully designed, well-lit bedrooms (each with its own robes and shared external bathroom) and a study nook create a warm and inviting space dedicated to family living. The Master Suite boasts a generous walk-in robe and an ensuite that seamlessly combines luxury and well-being. Not to be overlooked, the meticulously landscaped front and back outdoor spaces, complete with lush, manicured mazes, offer a tranquil retreat just steps away from your doorstep. **INCLUSIONS:** Ducted Heating / Evaporative Cooling & Heating / Double Garage / two additional reverse cycle air conditioner / solar panels / Dishwasher / Security cameras and much much more! A must see in person! This is the home you deserve. Come experience it for yourself.
