With some of the most inspiring and unforgettable outlooks Melbourne has to offer, this top floor showpiece affords a supreme inner city lifestyle on Richmond's coveted East Melbourne fringe. With design emphases on light filled ease and spacious simplicity, a clever interior makes perfect use of its corner placement, with expanses of glass lining open northern and western sides. Providing an unparalleled vantage spanning the MCG, Kinglake Ranges, and Melbourne's entire, iconic cityscape, a wraparound terrace adjoins a beautifully quiet living/dining section, served by a stellar kitchen with sleek stone benchtops and first rate Smeg appliances. A pair of sizeable bedrooms are accompanied by excellent robe storage, a lavish central bathroom, and master ensuite, while further features include heating/cooling, ceiling fans, sheer curtains, a video intercom, European laundry, and tandem garage spaces with added storage. Brilliantly positioned mere steps from tranquil parks and gardens, Bridge Road and Victoria Street shopping/retail precincts, North and West Richmond Stations, and various tram routes, while moments from scenic Yarra trails, the MCG, and city centre.
