Take your place in Sydney's most highly acclaimed new lifestyle destination and come home to spectacular gun-barrel views centred on the Harbour Bridge that are beautiful by day and magical by night. One of only 38 residences conceived as private sanctuaries and designed by SJB, this three-bedroom apartment holds a coveted eighth-floor position on the northern side of the building with beautifully crafted interiors and ever-changing views over the world's most beautiful harbour as a backdrop to daily life. Crafted to celebrate history but pave the way to a more dynamic future, the rejuvenation of the city block forms a series of activated laneways, fine grain arcades and public art by Jonathan Jones to establish a new urban village just 250m to the harbour's edge. Beautifully crafted interiors, tasteful finishes, and a huge terrace for entertaining against the dynamic vista make this a remarkable opportunity to buy in this tightly held collection. Limestone and stucco plaster lift lobby and concierge Level 8 with a due north aspect and 177sqm on title Spectacular views centred on the Harbour Bridge Streamlined interiors, polished floorboards, zoned air.
