\$850,000 - \$900,000

Transformed into a dental centre, this unique property situated on approx. 535sqm now opens its doors to an incredible residential opportunity. Boasting four bedrooms, two equipped with built in robes and another with its own ensuite, this home provides spacious and comfortable living. Ideal for those with a vision to renovate (STCA) this property is an excellent canvas for creating a versatile living space. The dedicated study provides an ideal area for work or leisure, allowing flexibility to tailor the home to your needs. The kitchen and meals area serves as a warm and inviting hub for family gatherings, promising a comfortable and functional space. The central bathroom ensures convenience for daily routines while the separate laundry enhances practicality. Unlock the full potential of this property and let your imagination run wild as you envisage the possibilities for a customised and rejuvenated living experience. Offering an enviable location, its within walking distance to Epping train station, Pacific Epping shopping precinct, Northern hospital, parks, schools as well as easy access to Ring Road. With its foundational features and the prospect for transformation, this home invites you to shape it into the perfect sanctuary for your lifestyle.
