Dive into Forster's most exciting listing as this deluxe, modern apartment with stunning coastal views comes onto the market! A rare find indeed, this is your chance to secure an investment in one of Forster's most sought-after complexes, right in the heart of it all! Ultra-modern complex 'The Strand' is home to this chic two-bedroom apartment, which comes with a host of special features. It's centered around the immense, open-plan living, dining, and kitchen area. Here the ocean views are simply unavoidable, pouring in through the sliding glass doors that lead out to the expansive covered balcony, where seaside vibes are appreciated to their fullest. It's an entertainer's dream, a social paradise with a backdrop your guests will never forget. Chefs will love the contemporary kitchen too, with its upmarket appliances and masses of bench and cupboard space. Here's something you don't see often - the two bedrooms each boast their own private balcony with coastal views! Accompanying that perk are thick, comfy carpets, built-in robes, and a sparkling ensuite in the master bedroom. A main bathroom with bathtub services the rest of the home, while a European-style laundry is a convenient touch. The secure complex comes with an inground pool to complement your beach adventures, and there's a dedicated parking space with storage for the apartment. As well as having the beach on your doorstep, the conveniences of Forster town centre are just moments away. This is convenient coastal living at its finest! For more information, get in touch with the JKL team today. We'd love to help.
