Designer resort-style living provides an elevated bayside lifestyle for those looking to start out in style, downsize without compromise or invest with success with this chic 1 bedroom apartment in the premier PM Apartments of Port Melbourne. Benefitting from a northerly aspect, allowing plenty of natural light, modern designer elements combine with superior functionality and design. Underpinned by the warmth of wide timber flooring that highlights open plan living, floor to ceiling windows and direct balcony access, this well-designed apartment is serviced by a fully-equipped kitchen featuring Bosch appliances, stone benchtop and streamlined cabinetry. Offering a comfortable bedroom with built-in robes and balcony access, a chic designer bathroom featuring rainfall shower, custom cabinetry, floor to ceiling tiling, European laundry, year-round comfort of reverse cycle heating and cooling and basement car space completing the picture. Positioned within a pet-friendly complex featuring security intercom access and premium resort-style features that are a sight to behold. Masterfully planned and beautifully executed communal areas take in the views of the surrounding city skyline and feature the luxury of landscaped terraces, fully equipped gym, heated swimming pool and spas with private cabanas and an abundance of alfresco entertaining areas including an impressive rooftop VIP lounge and dining zone with multiple opportunities to relax and unwind with family or friends.
