Imagine a serene country lifestyle where you can drive into your tree-lined property and unwind while enjoying the tranquillity of the natural environment with all its beauty and wildlife. As you approach this north-facing property, you'll immediately notice a three-story home designed by an architect with European features and construction. As you explore the various levels of the house, you'll come across three bedrooms, two bathrooms, a study, ample storage space, a secondary living area, and an open-plan lounge/dining/kitchen. The lounge/dining/kitchen flows seamlessly onto the large covered verandah, making it the perfect spot for relaxing, listening to music, or enjoying an outdoor dining experience. Additionally, the property borders the Rosewood River and offers perfect summer swims, 1km walking tracks, a heated pool, solar power, bore, fruit trees, garden beds, and much more. The property is only a short drive from the quintessential heart of Bellingen, with its allure of cafes, restaurants, and boutiques. You can explore the region's stunning beaches, world heritage national parks, rivers, and bushwalking tracks. This property offers a host of exciting opportunities. Call today for a private viewing.
