What you will love is living close enough to the city to take advantage of everything it has to offer while still being able to enjoy the serenity of this stunning two bedroom ensuite apartment perfectly positioned on the top floor. The open plan living and dining will leave you speechless, with ample natural lighting and plenty of space to entertain your family and friends. The kitchen is what dreams are made of for those who love to cook, offering quality stainless steel appliances, a natural gas cooktop, fully integrated dishwasher, and beautiful 40mm stone benchtops. If cooking isn't your thing, that's not a problem with the Braddon Dining Precinct just a 15 minute light rail journey down the road and Dickson CBD just a 5 minute walk away, your options are endless. Cleverly designed to provide both bedrooms with privacy, they're located on opposite sides of the apartment. The master bedroom includes a walk-in robe with his and hers sides, plus a generously sized ensuite with plenty of storage space. The second bedroom includes a good sized built-in robe and has direct access to the main bathroom. Both bedrooms have direct access to the balcony where you can kick back after a long day and take in the sunset over Black Mountain. The Mulberry complex is finished to the highest of standards and this north facing top floor apartment will not disappoint. Whether you're looking for something to call home or an investment, this property ticks all the boxes with its functional design, proximity to everything you need, and resort style amenities.
