Vast views reaching right across the neighbourhood to the distant Dandenong Ranges form a captivating back drop to daily life at this light-lavished as-new apartment. Rising above Carnegie's town centre, this lock & leave setting is perfectly positioned to have every needed amenity quite literally at the doorstep. Desirably open plan, with the generous living and dining zone flowing out to a curvaceous balcony enjoying the best of the panoramas, the layout includes a designer kitchen appointed with premium appliances – including a full-sized semi-integrated dishwasher. Stylish mixed-toned cabinetry is complemented by luxe veined stone, an aesthetic that is mirrored in the chic bathroom. Including a double bedroom with stretch of mirrored wardrobing along with the comfort of split system heating/cooling and the reassurance of video intercom entry to the building, the fabulous home also comes with an assigned secure parking space and storage cage. With access to a rooftop terrace, this perfect commuter base is just steps to the station and will also hold appeal for students attending nearby Monash University, while investors will love the proximity to shops, transport & dining making it an effortlessly rentable asset. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
