Stunning views to the city skyline form the backdrop to this immaculately presented apartment in Coppins Corner in the Malt District. Comprising an entertainer's kitchen featuring sleek stone bench tops, rustic bronze taps and copper glass feature panels, European appliances and fridge and plenty of storage. The open plan living area has exposed concrete ceilings and warm toned timber floorboards and leads out onto the generous balcony with those stunning views. The accommodation includes two carpeted bedrooms each with BIRs and ceiling fans - the master has an ensuite and there is a second bathroom - both fully tiled with large walk-in showers, mirrored storage, wall hung vanity and bronze tapware. This apartment comes with a secure undercover car park (not a stacker) and the building offers visitor car parks and plenty of bike storage. The apartment has split system heating and cooling, Euro laundry concealed behind sleek timber cabinetry off the hallway and secure building access. Adding to the convenience, residents have access to a range of amazing facilities including a fully equipped health club with steam room, spa, sauna and meditation room as well as a rooftop dining room with a catering kitchen and BBQ facilities and a lounge /library relaxation area with feature fireplace. All this with easy access to a wide variety of sporting, dining and entertainment options on your doorstep. Inspect by private appointment - please call Susan to arrange an inspection time to suit you.
