Everyone deserves a space to return to that provides comfort, security, and a sense of sanctuary. And there is no reason you can't have all this while also benefiting from the dimensions, details, and desirable modern amenity of a two-bedroom domain in an appealing West Melbourne quarter. Inside, an open-concept configuration integrates living, dining, and entertaining into a cohesive space extending towards a north-facing balcony. Blending functional aspects with contemporary aesthetics, the kitchen flaunts premium integrated appliances, substantial cabinet space, and a flawless whitewash finish over wide hardwood engineered flooring. Completing the blueprint: a main bedroom with balcony access and ensuite, a second bedroom, and main bathroom with European laundry. Building amenities include a pool, barbecue terrace, and gym. Live in an acclaimed West Melbourne pocket within walking distance of Melbourne Central, Flagstaff Gardens, and Errol Street.
