\$600 per week

Promising effortless everyday living in vibrant Springvale, this impressive family residence boasts prime doorstep convenience and excellent walkability. The light-filled interior offers a comfortable living room for relaxed TV evenings and a separate family/dining zone that connects to the wraparound stone-top kitchen. Completing the laid-back layout, three robed bedrooms are zoned peacefully together and share access to the original family bathroom. Including AC to the living room and master, split-system AC to the family/dining room. Head outdoors and there is heaps of off-street parking to the paved frontage, a large entertainer's alfresco/carport and a storage shed. Plus, the sizeable backyard is both kid and pet friendly, while the double garage is partially renovated with a toilet which gives it the potential to create a second living/work from home space or teenager retreat. Benefiting from optimal convenience, you'll find a local shopping centre with an ALDI supermarket right across the road. Spring Parks Primary School, Olinda Kindergarten, Killester College and Heatherton Park are all within walking distance, while Springvale Shopping Centre and Springvale/Sandown Park stations are easily reached. A fantastic opportunity in a well-connected location, this is a winner all round.
