This spacious and historic church offers the convenience of a live-in business. The prime location of this property along side the fully set up commercial kitchen and living areas gives you the opportunity to hit the ground running. This property offers great potential for a country town café. With a large outdoor seating area, and a deck seating area alongside a fully set up commercial kitchen the business is ready to go! Along with the business potential this property also features a large living area including 3 bedrooms with 3 bathrooms perfect for a growing family or a place where the grandkids can come and visit!
