\$490,000 - \$530,000

This well maintained and comfortable home offers easy living. Three bedrooms, 2 with built in wardrobes, the Main bedroom has a walk-in robe and access to the 2-way bathroom with a bathtub and shower. The bathroom can also be accessed via the passage way. Open plan living with adjoining kitchen and meals area featuring a reverse cycle split system to give you comfort all year long. The Kitchen includes a dishwasher, electric stove top and pantry. The low maintenance, well fenced rear yard has a rural aspect and is perfect for children or pets to play. The undercover back patio is ideal for outdoor seating or entertainment. Including a garden shed, washing line and secure undercover carport for 1 car. There is space on the drive way for a second vehicle.
