\$269,000

Not a stone has been left unturned throughout the renovation of this beautiful cottage style home. Features include:- Brand new modern kitchen with pantry, large 900mm gas stove with electric oven and ample bench and storage space.- Spacious lounge room with pot belly stove and flows out to the covered deck and entertaining area- New bathroom with walk-in shower, vanity, built-in linen cupboard and toilet- Separate laundry with built-in storage and ample room for an extra fridge or chest freezerThe new decking area creates a wonderful entertaining space and has the added benefit of providing direct access between the shed and house.The shed has been almost completely rebuilt with new steel frame and sheeting. Fully lockable and plenty of room for 2 vehicles with extra length for storage or workshop space.Situated on a corner block with privately fenced and low maintenance garden. There is already a raised vegetable garden and wood storage shed while leaving plenty of space for kids or pets to play.Inspections will not disappoint! View the virtual tour online or contact Louisa Bambling at Kellco Rural Agencies to arrange a private inspection and to secure your interest.
