Located just 10 minutes drive from Denmark, this stunning small farm could be straight out of a storybook. Rolling pastured hills, stands of Karri forest, and permanent water available via numerous water holes; this 92 acre property has it all. A Jarrah framed homestead overlooks the farm, and could be renovated back to its former glory, or there are also numerous potential new home sites to choose from - all of which have great views of the property and surrounding farmland. A general purpose shed, and other older outbuildings are available, with the added bonus of sealed road frontage to the property. Please contact Andrew Barrow on 0409081075 for further details.
