This traditional brick dwelling, resting upon a flat and rectangular allotment sized 726 sqm (approx.), takes you back to a by-gone era, when building a home meant using only the finest materials when constructing. Solid hardwood was used for all the frames and floors. A recent renovation has added even more comfort and quality to the property. This welcoming home provides plenty of space for families of all sizes. A spacious formal lounge-room boasts high ceilings and large windows, allowing for abundant natural light. The lounge leads through to a separate dining room. Adjacent to the kitchen is a fabulous northwest sun room, which is perfect for cozying up and reading a book while sipping on a hot cup of tea or coffee. There are also 3 bedrooms and a main bathroom with a bathtub. Other features of this home include gas heating, air conditioning, and a single lockup garage. This property offers a wonderful opportunity to secure a place in this beautiful, highly sought-after pocket of Bulleen. With easy access to M3 and a local shopping centre, it is perfect for home buyers and investors alike to buy a dream home or construct townhouses(STCA). If you are interested in this traditional home, feel free to contact your agent for inspection.
