With a striking and individual design, focusing on family living is this stunning five bedroom plus well-designed home office ideally positioned within close proximity to the picturesque Lowanna waters and Kialla lakes walking tracks. Offering an abundance of space featuring over 27sq's of modern living space, including formal and informal living areas plus kids retreat with separate powder room, allowing privacy and space for the whole family to enjoy. The quality centrally located kitchen is equipped with stone benchtops and WIP, spacious master bedroom with ensuite / WIR located at the rear of the property and BIR's to all remaining bedrooms. Ducted heating and cooling throughout and excellent storage space. Entertain guests under the beautiful timber decked alfresco whilst enjoying the stunning inground solar heated pool, handy 5mt x 4mt workshop with side street access and low maintenance manicured gardens complete this impressive family package!
