A nicely positioned 3-bedroom brick home, surrounded by low-maintenance gardens and lawns with panoramic, unrestricted views. The galley kitchen comes with a Samsung twin-door brushed aluminum fridge. The third bedroom has a roomy office attached (possible 4th bedroom). Laundry includes Miele washing machine and wall-mounted Simpson dryer. Access to a large outside paved and roofed patio. Ideal for entertaining with cool mountain breezes. Huge circular water tank, with two brand new pumps installed for dispersing grey water and domestic needs. Septic tank (emptied this month). The strong demand for more affordable homes in regional areas also makes this home an attractive rental investment property. The property won't last at this price.
