Get back to nature at this privately situated haven with stunning mountain views to the north and access to a good stretch of the Mole River to the south. Infrastructure includes a lovely 2 story western red cedar home C2000 with 5 spacious bedrooms with built in robes, 2 bathrooms – 1 up, 1 down, upstairs galley style kitchen with both wood and gas stoves, ample bench and storage space – and the views!! – dining room with access to the full length front verandah – soaking up the views!! whilst enjoying a bbq and a cold beer. Cypress pine cathedral ceilings are found throughout the home. There is a smaller verandah at the rear overlooking the property and the wild granite outcrops. There is a 3 bay shed which includes a mezzanine floor, 6 x 5000 gallon poly water tanks, solar power system with batteries and a solar hot water system – eco friendly and off the grid! A backup generator is a short distance away, other sheds and greenhouses make for sustainable living. Grow your own vegies and fruit trees. An 800m frontage to the Mole River – almost where the Bluff River and Deepwater River meet to be the start of the Mole River.. Wildlife galore includes kangaroos, wallabies, echidnas, goannas, quolls, with tortoises and platypus spotted in the river. This wildlife retreat is located 20km south of Tenterfield then 8km down Bluff River Road. Perfect family home or getaway with friends and family. Call Steve to arrange an inspection.
