Nestled within the recently completed P.M. development, this elegant apartment in Port Melbourne seamlessly blends modern living with urban sophistication. Designed by renowned architects Elenberg Fraser with landscaping by Jack Merlo, P.M. offers a fresh lifestyle experience in this new and vibrant precinct. This impeccably designed apartment showcases a versatile open-plan layout, marrying contemporary functionality with refined aesthetics. As you enter, you're greeted by a chef-inspired gourmet kitchen featuring stone countertops, sleek stainless-steel appliances, and ample storage. The spacious living/dining area extends onto a private balcony, bathed in natural light with stunning sunset views and a stunning vista towards Port Melbourne beach. The master bedroom enjoys the same picturesque view and boasts an ensuite bathroom and a generous built-in wardrobe. Two additional bedrooms feature built-in storage and abundance of natural light. Completing the apartment are a pristine central bathroom, European laundry and a secure underground car park. Residents of P.M. have access to an array of luxurious amenities, including a rooftop garden, BBQ area, private dining rooms, swimming pools and a gymnasium. Conveniently located within walking distance of parks, reserves, and the iconic Port Melbourne beach and Princes Pier, this residence offers an unparalleled lifestyle. For dining, shopping, and entertainment, the vibrant Bay Street and the bustling CBD are just a short drive away.
