One of the last absolute beachfront acreages remaining in Port Douglas is now offered for sale. Located at the southern end along the glistening sands of world famous Four Mile Beach, nestled between the Coral Sea and an internationally recognised championship golf course, this 2.33ha / 5.75 acre property offers a unique opportunity to secure a substantial piece of paradise. Currently used as an exclusive private residence, with a separate photo studio catering for a high end designer clothing business. This amazing property provides safety and security for you and your family. With direct beach access and a creek running alongside you can have your choice of freshly caught barramundi or mud crab for dinner literally on your doorstep. Or sit back and watch the resident Sea Eagles as they watch over this amazing property. Private and exclusive with no neighbours in sight, properties like this are extremely rare. Accessed via a gated entrance, the property offers the potential for redevelopment (STCA) or can be kept as a family holiday home for generations to come. For further information contact Mark Flinn 0405 646 313 or Tony Soltys 0419 695 193 At a Glance: • Beachfront Land • 2.33 ha / 5.75 acres / 23,290m² • Unique opportunity • Safe & secure Family retreat
