\$780,000

This property will soon be on the market. you can book a viewing at your preferred times. Location is one of the best choice for buyers who is looking to get rid of the car to walk to super market, Doctor Surgery, Restaurant, Post office and bus route 100 to major places in Brisbane. The construction of the house is no doubt very solid with stucco walls. This property was renovated years ago by licensed builder who built 2 extra bedroom upstairs and added more spaces downstairs. The property has only 3 bedrooms in total. However it has 2 full bathrooms, one of which is with duel door access. The land is levelled and square with even sides, this allow you rooms for further extension or granny flat. Interior condition is in need of a new coat of paint, a removal of carpet to polish the timber floors. This is one of a great location home that you can improve the property value by some handy works.
