Located in a nice and quiet family orientated street stands this solid home with large secure full size brick fence for added privacy and security. Boasting four bedrooms including a potential study for working from home, this property is suitable for all demographics. The large master bedroom features a wall heater and a balcony overlooking the backyard. Having been freshly painted inside and out with updated kitchen & bathroom, all there is left for you to do is move in! A generously sized single garage with additional workshop areas ensures storage or room for a man cave. Set down on a large 655m² block with the positioning of house on the block, that allows for potential subdivision while retaining the existing house (STCA) or room for kids or pets to run around in the backyard. Centrally located within walking distance to Northern Bay College, Donnybrook shops & Bell Post Shopping Centre. Just a 5 minute drive to the Ring Road.
