Whether you are a first homebuyer or a keen renovator looking for a property with the potential to renew or a developer looking to subdivide for investment; on 1,467m², this level property offers something for you to sink your teeth into! The neat home provides 3 carpeted bedrooms with wardrobes (one has a large walk-in robe) plus a study/office nook. The spacious living area incorporates the dining and kitchen and showcases grey-toned vinyl flooring throughout. The modern kitchen provides plenty of storage, an electric cooktop, under bench oven and dishwasher. The garden offers lots of room for families with children and pets - plenty of room to kick a ball around and play. The bathroom includes the toilet and is accessed via the laundry. Additional features include: Holland blinds throughout, carport with storage and garden shed. Positioned in a tightly held area of Coffs Harbour, just around the corner from Narranga Primary School, within walking distance to town and a short drive to Park Beach Plaza and Homebase, this property offers a multitude of opportunities!
