Nestled amidst the captivating allure of its north-facing aspect and sweeping vistas of the golf course lies an extraordinary masterpiece of coastal living. This meticulously crafted, award-winning 4-bedroom residence spanning over 40 square meters sets a new standard of sophistication along the coast. Step into a world of refinement akin to a private luxury resort, where every detail speaks of excellence. Recognized with accolades from the HIA and Master Builders Association, this stunning home unveils four spacious bedrooms, including two master retreats, along with three bathrooms and three distinct living areas, graced with awe-inspiring views of the golf course. Discover solace in a secluded parents retreat or guest wing, both on the lower level, that offer a personal haven adorned with pool and golf course views, a walk-in robe, and an en-suite of unparalleled elegance. Occupying the upper level are two large bedrooms serviced by a beautiful family bathroom highlighting a twin vanity and separate powder room. The current master suite hosts a walk-in robe, luxe en-suite, and retreat/second living. Completing the upper level is an executive home office with appealing built-in cabinetry and a third living/playroom. Minimalistic, the expansive open-plan kitchen, dining, and living have picture windows that capture outlooks from every angle while ensuring privacy where it matters most. The kitchen features a large stone island bench, induction cooking, integrated dishwasher, and walk-in pantry. Unwind and indulge in the gas-heated spa, pool, and sauna, or get cosy by the fire pit set amidst the low-maintenance alfresco areas, creating an idyllic backdrop for both entertaining and cherished family moments. An outdoor studio/retreat detached from the main residence provides an ideal space for work or relaxation, perfect for a home office or creative sanctuary. The spacious backyard invites you to relax with a standalone sauna, and the children and pets can play within the professionally designed, fully landscaped gardens which exhibit stunning bluestone, timber, and composite deck finishes. For the wine lover, a fully insulated wine room is housed under the stairwell, solar power system (6kw) with a Tesla Powerwall and a vast three-car garage, complete with rear roller door access, effortlessly accommodates vehicles, caravans, or boats. From the artfully constructed letterbox to the graceful front door and the meticulously crafted privacy screen above the entrance, every handcrafted detail enhances the allure of this residence to unmatched levels. With a design ethos centered around serenity, opulence, and family enjoyment, this home invites you to immerse yourself in a coastal lifestyle defined by sophistication. It stands as a testament to the pinnacle of coastal living, where each moment is imbued with unparalleled luxury and tranquillity. Exclusive viewing by appointment only.
