**\$485,000**

Welcome to 82 Torres Street, a property that marries comfort, convenience and a peaceful position in a welcoming neighbourhood. A 1970's built home, featuring open plan living, with the lounge enjoying views to the rear yard and neighbouring farmland. A central dining space connects the living and kitchen while also providing the transition from indoor to outdoor entertaining on the paved alfresco area. The laminate kitchen has been updated with neutral tones, complimented by the fresh paintwork throughout the home. Electric cooking appliances and a functional workspace will make meal preparations a breeze. Two of the three bedrooms offer built in robes and access the main bathroom, recently renovated to a sleek, modern finish. Stepping outside, you'll discover a secure rear yard, perfect for pets and children. Leave it low maintenance or create your own sanctuary on this blank canvas. Your vehicle will be secure and protected in the single garage, with some extra space for storage & hobbies or even a small workshop. Close to both indoor and outdoor sporting facilities, primary & secondary schools, convenience shopping and eateries, this home is perfect for the first homebuyer, young family or downsizer and is ready to move right on in!
