On a large corner block with potential for side access to the rear proudly stands this magnificent Derrimut residence. Positive first impressions are assured with its modern cutting edge façade providing great street appeal but it is upon entry that the detailed extra touches and superb layout will win you over. The home comprises four (4) spacious bedrooms highlighted by an amazing master that offers enormous dimensions, an abundance of fitted storage options and is further enhanced by a luxurious ensuite featuring twin vanities and an oversize walk in shower. Three (3) additional bedrooms serviced by a lovely central bathroom complete the sleeping quarters with one of these bedrooms having two way access opening up options to utilise this space as a study/ home office or nursery due to its close proximity to the master bedroom. Moving through to the main hub of the home you are spoilt for choice with a multitude of living and entertaining spaces that include an open plan dining/ living area, a rear rumpus or close off and convert to a theatre room and a massive all weather year round outdoor entertaining area that can be closed off or opened up depending on your preference and the weather. All these spaces encompass the superb kitchen that is a real centrepiece of the home and features 900mm stainless steel appliances, walk in pantry and an extra oversized stone island bench. Additional features include high ceilings, ducted heating, split system cooling, alarm, security cameras, electric roller shutters, downlights, contemporary flooring, ducted vacuum, extended double remote garage with internal access, full size laundry, storage shed, low maintenance gardens and so much more. The time has come to spoil yourself and your family with this magnificent offering.
