Welcome to a quality built, warm and inviting family home with curated gardens that welcome you from the moment you arrive. Complete with 4 bedrooms 2 bathrooms plus separate living and dining areas it offers the family ample space in an ultra-convenient location to schools and transport. It provides the perfect blend of function with tranquility for you to enjoy whilst providing opportunities to enhance in the future. The generous sized modern kitchen with Miele appliances and dining opens onto a stunning and private alfresco area with pool. A level outdoor area complements this space perfectly for children to explore and enjoy. A double garage with additional storage and level access completes the package. If looking for the ideal home to enjoy with the potential to renovate in a sought-after St Ives location this is a must view.
